

Healthy Relationships Training for Professionals

June 7, 2023

@Arc of Indiana County

8:30 AM - 3:30 PM

120 N 5th St, Indiana

(Lunch will be provided)

Presented by the

Center for Independent Living of South Central PA

Marty Dombrowski

People with developmental disabilities are often left out of the conversation about healthy relationships. In reality, they need information and skills for making healthy decisions about connections with others. As someone who works with people, you may be the most likely person to bring up the topic of healthy relationships. This training will help professionals become more comfortable talking about this sensitive topic and review how to help people have safe and satisfying relationships.
